

"We at 'Stix 'n' Pix' wish that every kid in Canada could have the opportunity to learn valuable life lessons, both on and off the ice, through the wonderful game of hockey and apply them to the real world when they reach adulthood."

Our focus right now is within our community and surrounding area. This can all happen by keeping the game FUN and having people like you involved.

Building grassroots participation by making ice hockey more affordable for boys and girls in Norfolk. Shiny hockey on the pond. Frozen toes and frozen fingers. It didn't matter... We spent endless winter hours outdoors building the skills and passion to pursue our national sport into our sixties, seventies and maybe even eighties. No obstacle could stop us, except warm weather of course, even then we turned to ball hockey on the street, until, the ponds froze and we could lace up our skates.

Where did it all go? This grassroots, fundamental pleasure that so many of us enjoyed. Has it forever been replaced by highly-organized, name-branded, uber-expensive and often unaffordable version of what we all loved to do so easily and inexpensively.

Norfolk Stix 'n' Pix sure hopes not.

Come help Norfolk Stix 'n' Pix on its journey to create a local renewable resource for hockey.

What is Stix 'n' Pix?

Norfolk Stix 'n' Pix is a recently formed charitable foundation dedicating itself to supporting the development of grass roots hockey in an area that has produced more than its share of world-class hockey players.

What do we hope to Achieve?

- Increase Minor Hockey Enrollment for boys and girls in Norfolk County
- Improve the hockey skills for youth by funding skating clinics
- Supply goalie equipment at youth age in each center
- Provide financial support for registration

Who are Stix 'n' Pix?

We are community volunteers who are seeking financial support from like-minded Norfolk citizens who want to make a "difference" for youth and give youth the opportunities in hockey that may not be currently available to them.

How can you make a difference?

Get involved with Stix 'n' Pix. There are three ways you can help:

1 Attend our Gala!

On Tuesday June 28th, 2016 at the Burning Kin Winery, we are hosting our "kick off" fund-raising dinner and special tribute to Red Kelly. Come dine with us and enjoy the company of other hockey greats. Music will be provided as well as an auction and silent auction featuring rare NHL collectors items.

2 Become a Donor:

We are looking for sponsorship to financially support families so that they can give their child the opportunity to learn to skate and play the game they love in Norfolk County.

3 Attend of "NHL Fantasy Camp"

You won't want to miss the opportunity to play the game you love alongside some of your favourite NHL alumni players! This will be an exclusive event with limited registrations. Please confirm your interest to the following email: info@stixnpix.com to reserve your spot.
