

"We at "Stix 'n' Pix" wish that every kid in Canada could have the opportunity to learn valuable life lessons, both on and off the ice, through the wonderful game of hockey and apply them to the real world when they reach adulthood."

Our focus right now is within our community and surrounding area. This can all happen by keeping the game FUN and having people like you involved.

Building grassroots participation by making ice hockey more affordable for boys and girls in Norfolk. Shinny hockey on the pond. Frozen toes and frozen fingers. It didn't matter... We spent endless winter hours outdoors building the skills and passion to pursue our national sport into our sixties, seventies and maybe even eighties. No obstacle could stop us, except warm weather of course, even then we turned to ball hockey on the street, until, the ponds froze and we could lace up our skates.

Where did it all go? This grassroots, fundamental pleasure that so many of us enjoyed. Has it forever been replaced by highly-organized, name-branded, uber-expensive and often unaffordable version of what we all loved to do so easily and inexpensively.

Norfolk Stix 'n' Pix sure hopes not.

Come help Norfolk Stix 'n' Pix on its journey to create a local renewable resource for hockey.

What is Stix 'n' Pix?

Norfolk Stix 'n' Pix is a recently formed charity that is part of the Norfolk Foundation and Stix 'n' Pix is dedicating itself to supporting the development of grass roots hockey in a region that has produced more than its share of world class hockey players. This year we have also rolled out the "Pix" side of our foundation and have started private instrumental music lessons for Norfolk children.

What do we hope to Achieve?

- Increase minor hockey enrollment for boys and girls in Norfolk County
- Provide financial support for registration
- Offered high quality private instrumental music instruction to children who would not otherwise be able to afford to attend.
- Sponsored individuals in either their music or hockey pursuits.

How can you make a difference?

Attend our Gala!

On Thursday September 13th at the Greens at Renton, we are hosting our second fund raising dinner. This event will be a special tribute to both Wendel Clark and Ron MacLean. Also attending will be other great NHL VIPs and the evening will feature a "Hot Stove Lounge" presentation with all our special guest sharing their experience and entertaining stories of life in the NHL.

There will be a silent auction and live auction featuring some very exclusive items.

You will have a gourmet meal provided by Devlin's Country Bistro featuring Norfolk's VG steaks. All of the food, wine and beer will be home grown from Norfolk.

Created just for this event will be a special autographed original NHL hockey jersey signed by all the NHL guests and VIPs. This is a rare and treasured item that will only be available for sale at this event. We have collected some very valuable items for the live and silent auction and David Arrigo's painting will be our featured live auction item.

Available for pre-order autographed Wendel Clark jerseys. Please confirm your order in advance with committee members.

Who are Stix 'n' Pix?

We are community volunteers who are seeking financial support from like-minded Norfolk citizens who want to make a "difference" for youth and give youth the opportunities in hockey and music that may not be currently available to them.
